EXPOSING THE SECRETS OF ONES SPOUSE

There are some women who are overcome (with the urge) to talk about goings on at home and their (private) life with their husbands to their relatives and friends. Some of this talk is about private matters which the husband would not want anyone to know about.

Allah (سبحانه وتعالى) says:

Therefore, the righteous women are devoutly obedient (to Allâh and to their husbands), and guard in the husband's absence what Allâh orders them to guard (e.g. their chastity, their husband's property, etc.)
(Surah An Nisa 4:34)

That which some women talking about what is goings on at home and married life to their relatives and friends is haram, and it is not permissible for a woman to reveal private matters of her home or how things are with her husband to anyone!

The Prophet Muhammad (صلى الله عليه و سلم) said:

"The worst of the people in (the Sight of) Allah on the Day of Resurrection is the man who discloses (secrets) to his wife and she discloses (secrets) to him and then he reveals her secrets (to others)."
